

Family #44**Family Contact Name**

Monique

Family Story (please do not include names for privacy)

I'm asking for a little help for the children who now call my home their own. I'm a mother to three kids. My mom had been raising my niece, and when she left us, I knew I had to step in. My sister is not yet ready to take on being a parent so, I became the one to love and care for them, just as my mom once did.
