Family Story (please do not include names for privacy)

After leaving a very violent marriage I found that I was all alone and there were five children that need me to be everything for them. I lost my children, I lost my self, I lost my home, and I lost the only family structure I knew. But God pick me up and held me close and has been showing me that I was never alone. I'm in college I have all my children at home. I' working to be better everyday.
