

Family #107**Family Story (please do not include names for privacy)**

This year has been incredibly tough for me. Since moving to Columbus from Nashville, I've faced one challenge after another. I lost my job, and shortly after, I was in a car accident that took my car. It feels like everything happened back to back, and it's been hard to catch my breath. But through it all, I'm holding on, trusting that better days are ahead.
